Art Style identification

For the upcoming questions about the identification of the style, you can use an LLM assistent to help you.
Some helpful prompts:

"Based on this description of a painting: [1–2 sentences describing what you see], identify likely art style(s). List 3 signature visual features, 2 artists connected to that style, and a typical date range. Include 1 museum link to verify. Keep under 100 words."

"List 3 public-domain artworks that exemplify [style], with museum links."

"Provide 2 museum or academic links that confirm these features for [style]. Summarize what each source confirms in one sentence."

Make sure that you verify your information with trustworthy sources, for example museum web pages.

Question 6: What are the artist and title of the artwork?

Question 7: What art style(s) does the artwork belong to?

Question 8: What date range did this art style thrive?

Question 9: What region or movement does this art style originate from?

Question 10: List three visual hallmarks of the style that can be seen in your mystery image

Question 11: Two other artists associated with this style
